

## Eclipse camp close to point of Greatest Eclipse at Waw an Namus

(24° 29' 45" N - 17° 57' 36" E)

This eclipse program has the approval of the Libyan Ministry of Tourism, and is sponsored by Libyan business and government departments.

## **PROGRAM: 5 DAYS/ 4 NIGHTS EX TRIPOLI**

### **Day 1: Sunday, 26 March 2006**

All pax must be in Tripoli by latest 12h00 on this day.

Meet our representative at Tripoli domestic airport where you will board our special eclipse charter flight to Waw al Kabir in the centre of Libya. Enjoy snacks and drinks aboard our special flight.

Upon arrival in Waw al Kabir, you transfer to your second special eclipse flight. This short helicopter transfer will depart Waw al Kabir and flies 150 km (90 mi) southeast to our specially selected eclipse view site. The view site is located on the center-line close to the point of greatest eclipse, every eclipse chasers dream!

The camp has all the amenities, from sleeping quarters to restaurant, business centre (for that urgent email back home, or just a telephone call to say hello from the middle of the desert), medical facilities, toilets and showers, limited desert shopping and entertainment facilities. Weather conditions at this time of the year are a pleasant 22 - 25° C (mid 70s° F) during the day and 12 - 15° C (mid 50s° F) at night. Your choice of pre-booked accommodation, 4 sleeper standard or 2-sleeper superior, is like home from home.

### **Day 2: Monday, 27 March 2006**

Days start early in the desert! Breakfast is served in the restaurant tent, and then the day is yours. Join the conference and listen to lectures on Astronomy and Sun Sciences or just soak in the peace of the desert. Lunch will be served from 12h00 – 14h00. In the evening, sip a sundowner drink and watch the sun go down, and then join us for dinner in the restaurant tent. After dinner, participate with eclipse experts for some talks on the eclipse, or listen to some local music, or take a walk.

### **Day 3: Tuesday, 28 March 2006**

Days start early in the desert! Breakfast is served in the restaurant tent, and then join the conference for more interesting information on the eclipse. Lunch will be served from 12h00 – 14h00. Before dinner, sip a sundowner drink and watch the sun go down, and then join us for a very special "Eclipse Eve Dinner" in the restaurant. After dinner, participate with eclipse experts for some talks on the eclipse, or listen to some local music, take a walk, or just get prepared to view the eclipse tomorrow!

### **Day 4: Wednesday, 29 March 2006**

Eclipse day! After a refreshing sleep, join us for breakfast and then it is time to prepare to watch the event of 2006! Space is not a problem, so find your own special place to view from, and set up your equipment. Waiters will be on hand to bring you a drink, if you would like one, whilst you are sitting at your camera equipment.

1<sup>st</sup> contact to 4<sup>th</sup> contact, it is all there for you.... and 4 minutes, 6.3 seconds of totality. This is what we offer you at Eclipse-City!

After sunset, join our eclipse gala dinner in the desert! After dinner, watch our spectacular fireworks show, and then join our entertainers in the entertainment tent, to celebrate your Libyan Eclipse Adventure.

## **Day 5: Thursday, 30 March 2006**

After your 4th night in the deep Sahara, enjoy your last desert breakfast and then get ready to depart the eclipse camp. The first helicopter departs at 08h30, and will take you back to Waw al Kabir, where you will board your flight back to Tripoli domestic airport. Drinks and snacks are provided on board the flights.

### **PROGRAM INCLUDES:**

- Welcome and departure meet at Tripoli domestic Airports, including luggage service,
- 4 nights' accommodation in the eclipse camp, all inclusive,
- Lectures on Astronomy from Sebha University,
- Lectures on the Sahara Desert,
- Entertainment as specified in the itinerary,
